NJSIG policy 6130 (holiday policy) amendment first reading
NJSIG No. 0322-03

The NJSIG holiday policy sets forth the paid holidays for employees for each calendar year. Substantively, the proposed amendments would add an additional paid holiday, Juneteenth National Independence Day. This change is consistent with the addition of Juneteenth National Independence Day as both a State and National holiday. The remainder of the amendments are intended to clarify technical aspects of the policy, including the accrual and grant of paid floating holiday time.

Recommended Resolution: To approve the amended holiday policy, NJSIG policy number 6130, as attached for a first reading.

HOLIDAYS

NJSIG provides ~~fifteen-sixteen (16)~~ designated paid holidays each calendar year. ~~Eleven~~ Twelve (12) of these are scheduled “holidays” and are identified below. ~~Four (4)~~ are “floating” holidays to be scheduled by the employee with the approval of ~~his or her~~ their supervisor each calendar year.

~~These floating holidays are pro-rated in the first year of employment. In the first calendar year of employment, floating holiday days are granted on a pro rata basis based on full calendar months of employment (three full calendar months of employment for each floating holiday) and may only be taken after being granted. After the end of the first calendar year of employment, floating holiday days continue to be granted the same pro rata basis, but in anticipation of continued employment, the annual allotment of floating holiday days may be scheduled and taken during the calendar year prior to actually being granted, subject to management approval.~~

The ~~eleven-twelve (12)~~ scheduled holidays are as follows:

New Year's Day	Martin Luther King Jr's Birthday
Memorial Day	Independence Day
Labor Day	Thanksgiving
Day after Thanksgiving	Christmas
