## Board of Trustees Meeting of October 21, 2019 IT Report

---

### **Windstream - Internet Service Provider**

The I.T. department had a preliminary technical strategy call with Windstream and we are beginning to move forward with network changes that will be needed for the upgrade.

### **Quarterly Loss Runs**

The quarterly loss runs were sent out electronically to the brokers on October 7<sup>th</sup>. The paper copies were mailed out to the members on October 9<sup>th</sup>.

### **Investors Bank**

We are in the process of moving to Investors Bank new web based portal. Setup is complete and we are beginning to test positive pay file uploads.
