Human Resource Report

NJSIG is happy to announce the hiring Joanna Radomicki and Jacqueline Godfrey to the Claims Department. Joanna will be working in Joan Madden's Medical Claims Unit and comes to the organization with several years' experience as Claims Adjuster. Jacqueline will be working as the Claim Assistant and will be a strategic partner for Tony Ruggeri and his supervisors.

Over the last month, I have had several conference calls with the HAY Group/Korn Ferry regarding the evaluation of our benefits and market trends. NJSIG remains competitive with our benchmarks and our ability to attract and retain top talent.

Currently, NJSIG employees are evaluating their benefit options for the upcoming year as we are currently in the Open Enrollment period. I conducted meetings with the staff to address the changes made by the State for the upcoming plan year.

Should you have any questions regarding any of the above issues or any other of the Group's Human Resources matters I am always available.
