Board of Trustees Meeting of November 28, 2018
Action Item
Competitive Contracting
Emergency Restoration Services

As a part of NJSIG's efforts to maintain compliance with the PSCL, the Board must authorize the use of competitive contracting for specific goods or services. This resolution authorizes NJSIG to procure emergency restoration services via the competitive contracting process. This resolution merely allows the competitive contracting process to be used for these services; it does not award a contract to a specific service provider. A separate resolution will be necessary for the award of contract(s) for these services.

Recommended Resolution: to approve the NJSIG to procure emergency restoration services via the competitive contracting process.
