Board of Trustee Meeting of November 28, 2012

Discussion Item  
AGRiP Conference

---

William Herman, Daniel G. Vivarelli and Eva M. Nagy attended the AGRiP conference at the beginning of October. It is specifically designed to provide both technical information on Pooling and professional development on the governance aspect of Board membership.

My experience has been that each Trustee that has attended this Governance Conference has returned with a better understanding of the Pooling industry.
